

Welcome to Study Match Pty Ltd

Study Match Pty Ltd is a one stop shop for all international student needs. Because of our experience and the flexibility we provide, we are successful in designing study tours and homestay placement packages or just individual homestay for groups of any size as well as individual placements. We work with most colleges and Language schools on the Gold Coast and in Brisbane.

Australian Student Accommodation (formerly Gold Coast Student Accommodation Centre) commenced operations in October 2009 and ensures the success of the Homestay experience for all concerned – the student, the agent, the education provider and the Homestay family. We are now one of the largest homestay providers on the Gold Coast and have expanded into Brisbane and Northern NSW. We maintain a large database of experienced Homestay families and have placed students for some of the largest English Language Colleges in Brisbane and Gold Coast.

Our goal is to provide a Homestay service that caters for the needs of the student as well as providing a safe and nourishing environment in which they can live and learn. At the same time we will provide support and encouragement to the Homestay families so that the experience is a pleasant one for them.

The Company Director has over ten years' experience running Homestay services in Queensland and over 25 years invaluable first-hand experience as a Homestay parent. Australian Student Accommodation ensures the success of the Homestay experience by offering flexible, customised services to satisfy the individual requirements of the students and education providers.

Australian Student Accommodation currently has over 1000 great families offering Homestay and Room Only accommodation in Brisbane, the Gold Coast and Northern NSW. These families have been interviewed, assessed and trained. We provide students with a one page profile of their family before arrival (including photos of the families and homes). The profiles can be provided electronically and in hard copy.

Our popular Demi Pair program is now available in Melbourne and Sydney. Families provide a minimum of 8 weeks of accommodation, meals and the support of a homestay experience in exchange for the student providing 20 hours' work per week including childcare, cooking and household duties such as cleaning and laundry to assist busy families.

Study Tours Gold Coast is our organisation that tailors Study Tours for individuals or groups, with tours ranging in duration from 7 days to 12 weeks. Typical study tours include half-day English classes and visits to local educational institutions, accommodation tours, exploring Brisbane or the breathtaking Gold Coast hinterland and visiting one of the world-class theme parks such as Warner Bros. Movie World, Wet'n'Wild, Sea World, Currumbin Sanctuary, Dreamworld or WhiteWater World.

We understand that these tours can be the opportunity students need to experience what it would be like to live and study on the Gold Coast or in Brisbane. If there is a specific attraction a student wishes to see or activity they would like to participate in, we will do our best to include it in that student's individual program. Study tours are also available for Brisbane and Northern NSW and we can arrange all activities and English classes, as well as the Homestay placements.
