TERMS AND CONDITIONS

The following is an agreement between Australian Demi Pairs and its Demi Pair students. Please make sure that you understand and sign this document. You should then keep a copy of the signed agreement for your records.

I, the undersigned, have applied to become a Demi Pair with Australian Demi Pairs. Australian Demi Pairs agrees to introduce Demi Pair candidates to Host Families for consideration and to provide reasonable support concerning problems that may arise during the exchange.

The Demi Pair selected by the Host Family will assist the family with day-to-day child care and light housework, for a maximum of 15 hours per week. In exchange, the Demi Pair will receive full board (3 meals x 7 days) and lodging (own private room). The minimum study and Demi Pair application is 8 weeks or more. A blue card is required for the Demi Pair under the [Child care services and similar employment](#) category of regulated employment. An individual cannot start in child-related work without a valid blue card.

The Housekeeper role (included for 2 weeks in the Offshore package) does not require a blue card. This allows the student to arrive and settle into the home whilst helping with general housework and household duties for a maximum of 10 hours per week. In exchange, the Demi Pair will receive full board (3 meals x 7 days) and lodging (own private room). On arrival to Australia, the student will be required to attend a Queensland/Victoria Transport office to obtain a CRN number, in order to then apply for the Blue Card / Working With Children Check online as soon as possible. At no time is the student to help with any child-related work or tasks until a Blue Card/WWC is obtained, and a parent or guardian must be present with the student whilst in the company of any children in the household until such time (The children must not be left in the care of the student whilst they are in the role of Housekeeper).

Work Agreement

The Demi Pair application is only available to students on Working Holiday, Visitor and Student Visas.

As a Demi Pair you will need to assist with general housework and the children. Here are examples of tasks that your family may require you to do and that you will be expected to do – ironing, laundry, vacuuming, washing floors, dusting, cleaning toilets and bathrooms, cooking meals, in addition to keeping your own room tidy. In the mornings you may be expected to wake the children, help them get dressed and ready for school and take them to school. In the evenings, duties may include bringing them home from school, giving them a bath and their dinner and getting them ready for bed. We suggest that if there is something in the above you cannot do, ask your Mother to teach you before coming to Australia.

The Demi Pair program is for a 12 week placement within one host family. Failure to work the required number of hours per week will terminate your contract and you will be asked to leave the family. You will be expected to sign this contract before commencing the Demi Pair program. If you wish to finish the program early, you must give 2 weeks' notice to Australian Demi Pairs or the Demi Pair Manager so the family can be informed.

The Demi Pair will not be able to work an additional job outside of the home other than as agreed by the host family or on weekends. The Demi Pair must always prioritise the Demi Pair role over other employment or social activities.
